Antipodeans

How to:
Launch an Antipodeans Program at your school

1. Get started, how can we help you?

Get in touch with us. We're here to listen and provide the best possible overseas learning experience for you and your students. What kind of trip are you after? How long? When? Where to? We'll come to you and discuss over a coffee. We'll walk you through our programs in greater detail, our process, answer any questions and discuss the fun stuff, like the the countries we go to. Too easy.

Call: AU: 1800 502 014 NZ: 0800 268 477

2. Choose a destination and we'll present to your students.

Presentations are our strong point. Once you decide on where and when you'd like to travel, we'll jump up in front of your student cohort and present the experience in 10 minutes flat. Trust us, it's all we need! We'll also provide awesome, easy to use marketing collateral to help inform students and parents of the opportunity.

3. Information Evening for families.

We know parents better than most. At a time that best suits you, we will arrange a Parent Information Evening at school to go through all the nitty-gritty details. We understand this is a big decision for parents and we provide answers to all those burning questions. By the end of the night we can guarantee parents will be asking - 'can we come too?'

4. Let's get this show on the road.

We advise families on how to book, meet with the team and handle all financial and administrative tasks from here on in. We've got this.
